South Korea calls North Korea daily:

"The ministry has to keep pestering Pyongyang over the military and Red Cross talks," he said. "It has to keep placing calls on the Panmunjom telephone. The situation can quickly change and North Korea could feel the need for dialogue. When they do return, they will likely want to deal with the United States first, but let them try to accomplish anything in talks with Washington without the involvement of Seoul — it won't work."

This is not what Q meant with Hunt for Red October.

This is what Q meant:

>><http://www.foxnews.com/transcript/2017/10/24/clinton-campaign-dnc-paid-for-anti-trump-dossier-research-ivanka-trump-washington-is-complicated-place.html>

JARRETT: If there is collusion, it's Hillary-Russia collusion. Not Trump- Russia collusion.

HANNITY: I've been predicting this, Dr. Gorka this massive boomerang for a long time. I've known a lot of this evidence was out there and it was all coming. I've been telling my audience, its coming, and its coming. Now the floodgates are open, if you will.

SEBASTIAN GORKA, DEPUTY ASSISTANT TO PRESIDENT TRUMP: It's the last scene from that great Tom Clancy movie, "The hunt for red October." When the bad submarine commander launch a torpedo it comes back and sinks his own vessel. That is what the Russian collusion story has done for the DNC and for Hillary. Let's stop using the word collusion, because the evidence we now have is about subversion, it's about sabotaging the political process and it's about propaganda. In the cold war, the Soviet Union will be used what was called active measures to undermine our democracy. This is the Democrat Party, the Hillary campaign using active measures to undermine Donald Trump and the Democratic process in America. It's a shocking story.

The video is 180° rotated for some reason.

Note that Q used a subject (“MONDAY”) :-> shutdown & ideal swamp cleansing opportunity starts on monday?

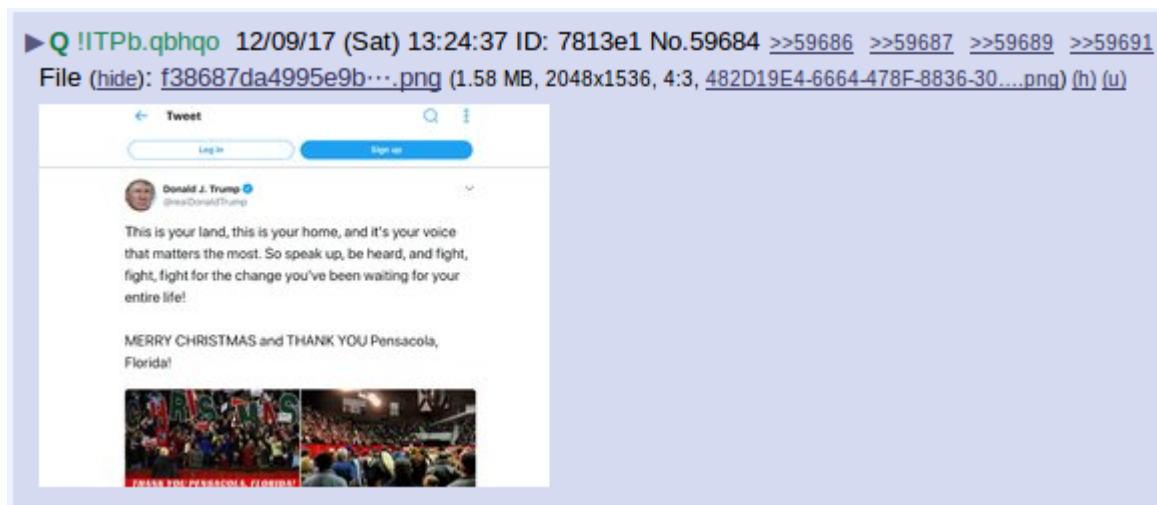

a day before, HRC was almost literally repeating the arguments of Pelosi: (not sure if relevant)

<https://8ch.net/cbts/res/59130.html>

(a screenshot of <https://twitter.com/realDonaldTrump/status/939355447273906182>

(watch speech here: <https://www.youtube.com/watch?v=0GWL2sL0qQQ>)

(mentioning tax cuts, sick & rigged system, MS-13, borders, disastrous Obamacare; against foreign bureaucrats imposing globalism, trade deficits, deregulation, rational energy policy, enforce military; illegal & chain immigration; end sanctuary cities; building the wall; Roy Moore; Nancy Pelosi & Chuck Schumer as puppet masters; gun rights; the legacy mess he was left with by previous administrations; 1.8 bn. dollars given to Iran in cash...; Nato; Russia, religious liberty, Johnston amendment.)

some sound bites:

'America doesn't worship government, it worship God'.

'We believe that the US military is the greatest force of Justice on Earth'

'Our rights come from our Creator, and no earthly force can ever take those rights away and they never will'.

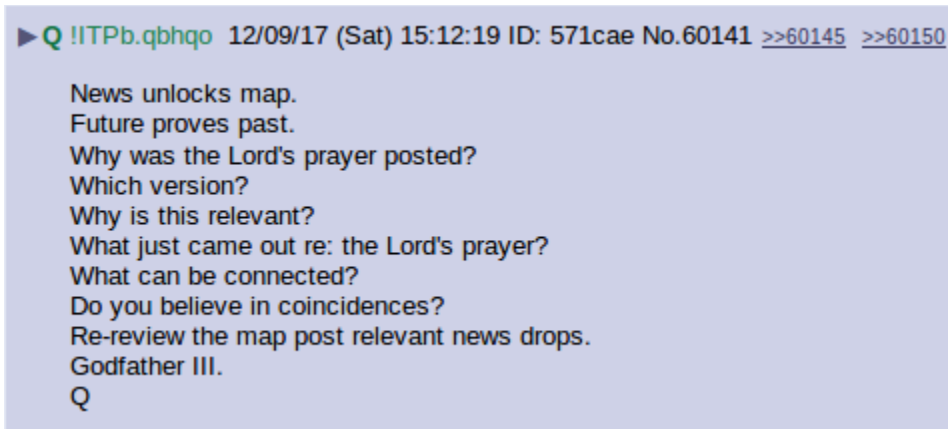

'That is why my administration is taking power back from global bureaucrats [...]'

'My job is not to be president of the world, my job is to be president of America. Yet there are powerfull forces in Washington trying to sabotage our movement. These are bad people, these are very very bad, evil people. They know who they are. They make their money of a corrupt and broken system. [...]. But we are stopping them. You see that right now[ ...]. '.

'We need honesty'.

'As long as we have the courage of our convictions, and the strength to see them through, then there is no goal beyond our reach. As long as we are true to our values, loyal to our citizens, and faithful to our God, then we will not fail. This is your land, this is your home, and it is your voice that matters the most. So speak up, be heard, and fight, fight, fight. For the change you've been waiting for your entire life, for the change you've already seen happening. Our revolution didn't end on Nov. 8<sup>th</sup>. That was just the beginning. The greatest adventure still lies ahead. Never give in, never give up, never back down, and never ever stop dreaming'

Tues Nov 4th,

Who financed 9-11?

Who was Bin Laden's handler?

Why was the Clowns In America tasked to hunt/kill/capture UBL?

Why not MI?

If we found UBL, eliminated his security, why would we immediately kill him and not take him alive?

Why wouldn't we want to capture UBL alive and extract other possible T-level events?

Perhaps someday people will understand 'they' had a plan to conduct 'another' mass extinction event.

WWI & II - orchestrated and planned by select families?

Fantasy land.

Remember, the more people there are, the more power the people have.

Why do D's push for gun control 'directly' after every tragic incident?

Why is this so very important to their agenda?

We, the people, are who they are afraid of.

We, the people, are who they fear will one day awake.

Our Father who art in heaven,

Hallowed be thy name.

Thy kingdom come.

Thy will be done

on earth as it is in heaven.

Give us this day our daily bread,

and forgive us our trespasses,

as we forgive those who trespass against us,

and lead us not into temptation,

but deliver us from evil.

Timestamp my post re: US Military vs. POTUS' Tweet.  
Why did the USSS codename Hussein 'Renegade'?  
A person who deserts and betrays an organization, country, or set of principles.  
Who does the USSS currently protect?  
Why is this relevant?

## APPENDIX:

a comment from an anon that deserves more audience:

Long time lurker here chiming in.

Hopefully this doesn't get lost in the noise.

Quick background – been following “conspiracy” style alt-media and doing my own research for decades. Most important events I've seen: FBIanon + Qanon. It is important to consider any anon or source to be a potential larp (fraud), particularly when dealing with these topics. These two not only ring true and coincide strongly with ongoing “happenings”, but even if they are larps, they have led the hivemind to new information.

The reason Q is here is to lead the hive and soften the blow of disclosure to the public. His post about exponential reach confirms this (1.2million and growing). His continual reference to the way the public would react to the truth confirms this.

Many of us can take doses of hard truth – even up to and including Satanism. The general public is not ready. They still think RussiaGate is a real thing. They are being spoon-fed the truth by people like Hannity and the Hill reporters “breaking” the story slowly. We can greatly assist in the disclosure process though memes and simply talking to other people.

That said, you have to know your audience. Simply telling a person the 40,000ft view that Q has pieced together – that a cabal of cultists engaging in human trafficking and (probably) ritual sacrifice run the world through puppets (SA), banks (Roths), and illegal slush funds to activist groups (Soros), isn't going to go over well. It might work with some people who are ready. Most require a softer touch.

Q is effective because he asks questions and these questions lead people to truth.  
When you engage with people, either personally, with memes, or social media – ASK QUESTIONS.

Why did ISIS get destroyed so quickly? Why did they appear so quickly? Who was funding them? Where did North Korea get its Nuclear and ICBM capabilities?

Why are so many people in media, Hollywood, and politics suddenly stepping down or getting crushed by sexual assault allegations? Were they being protected?

These Questions are the keystone (no, not THAT Keystone, that is clearly US Military Intelligence + Executive Branch's capacity to take down the cabal, as Q has now stated plainly and said previously was a NATION that controls almost all others).

Which leads me to my last 3 points –

1. Q has laid out the picture VERY clearly. Most people here or interacting with Q content are not following the simplest directive from Q: Read the map. Seriously just read the whole thing! As an example, Q never said to “follow the white rabbit.” Not once. Things he did say to follow: HUMA, Map, Money, Bloodlines, Owl & Y head. There are so many of these false claims about what Q has said or hasn't said and it was all documented specifically so that wouldn't happen. Don't get misled by false claims. Know the map.

2. Disinformation is real. Probably from Q but certainly on the chans and elsewhere. The enemy has used the same tactics since I first stepped foot into this realm decades ago: disinformation (JTRIG and COINTELPRO) to lead people off target (aliens, flat earth, antarctica noise), shilling (personal attacks, calling people boomers and larps), sliding (pushing topics off the front page/catalog with idiocy - like all of 4chan basically), spamming (dumb questions, gore, porn), DDOSing, and co-opting (bad bakers, name/trip users). Know these attacks, expect them, IGNORE them. Dig, connect, spread.

3. Occam's Razor is real. Don't over think this. Godfather III was clearly a reference to the Pope. Keystone was clearly either the US, Israel, SA or another powerful nation. Sum of All Fears is clearly about a nuclear attack carried out by a rogue element. Look at the movie plots and keep it simple. Qs 40,000ft view is putting together the picture we've had a good view of since None Dare Call it Conspiracy (1972) and even earlier publications.

Have fun we are witnessing history!

On Trump's recent Asia trip he was greeted as a hero. He made speeches referring to all of the countries he visited as being "sovereign independent nations". You have to know that that means something very specific as there are less than a handful of "sovereign, independent nations" on this planet. Everything is owned by the bankers and pretty much every nation is a bankrupt entity with no status or standing (just like ALL of us). Then POTUS came back and made a speech and stated that we are a sovereign, independent nation. Most people don't know what that means. It is a BREAK from the world system of control – the bankers.

Possible, think GLOBAL COLLATERAL ACCOUNTS!

Each nation is listed individually, not so sure how Zimbabwe is reconciled to Rhodesia, but each nation listed has their gold reserves listed. Problem is, CIA has confiscated the gold of individual nations and now beholden to the Fiat Banking System.

Chavez wanted his gold back, he's dead.

Khadafi wanted a gold backed African currency, he's dead.

When Ukraine was overthrown, the first thing confiscated were the gold reserves it held.
