quote of baker 'AntiFungalLeafBread':

We are Restoring the Republic of America.

Military/Navy Intelligence, the NSA, the Q group and more have conducted an unprecedented python approach of The-One-PedoRing-To-Rule-Them-All with over 4,289 sealed indictments fueled by the massive NSA information powerhouse [KEY] turned good under Admiral Rogers.

We are living in historic times, and we've been handed a Map of what's to come, and what's going on in this war between Patriots and Clowns.

Here's the catch: The CIA/MSM has lulled the normies into what Q calls Fantasy Land and they cannot handle the Truth.

Solution? Sincere Patriots [STONE]. We are the dot connectors. We are the excavators of obscured facts. We are the who we've been waiting for our whole lives. We are the Storm, and we are the Calm Center inside it.

Our goal is simple: *To explain the chaos of our times to your loved ones and friends. We're lost without a normie to redpill, because we can take these ideas into all sorts of directions. What resistance do you meet when you talk about Q-topics? Share that here. We will map the barriers of ignorance that stand in Our way, and surgically remove the cabals curse.*

Suit up lads, we will have Peace through the Strength of our Understanding and give Clarity through our memetic spread.

If for some reason 8ch/CBTS goes down at any point, we can all converge temporarily over at

Likely because it would reveal information that would compromise operations as the scumbags scramble to clean up loose ends that are revealed. Hence the 1.2mm, which we thought were 1.2 million normies reached by this board when the 1.2mm was actually the 1.2 million documents in the IG report, which the scumbags had no clue about.

Shall we play a game?
Find the spider(s) and build the web (the 'map').
Remember, they consider you to be the fly (specifically, the 'feeder').
Remember, they never thought she was going to lose.
Therefore, they never thought investigations and/or public interest into their criminal acts would be exposed/investigated.
Therefore, they never thought they had anything to fear.
Therefore, they openly showcase their symbolism.
Therefore, they were sloppy.
Hussein's last speech in Chicago re: 'scandal free'.
Why did he continually emphasize that phrase?
As a backup, they infiltrated and control the narrative (the 'MSM').
As a backup, they install only those on the team.
As a backup, they blackmail those that aren't.
As a backup, they defined 'conspiracy' as crazy/mentally unstable and label anything 'true' as such.
This works given most of what they engage in is pure evil and simply unbelievable (hard to swallow).
The 'fix' has always been in – no matter which party won the election (~JFK (killed)/Reagan(shot)).
This was always the promise made to those who played the game (willingly or otherwise) (i.e., they would never lose power).
Power of the (3) letter agencies.
Power over the US Military (WW dominance to push against other nations and install like-kind).
These people are really stupid.
Follow the husbands.
Another Hint:
Ian Cameron
McKinsey & Company
Clowns In America.
Dr. Emmett J. Rice.
Federal Reserve.
Everyone is connected.
How about a nice game of chess?
